Kategória: Konferencie, Oznamy pre študentov, Oznamy pre zamestnancov

We would like to invite you to **1st**

International Conference on *Herbal Medicine, Biocosmetics and Functional Food*. The conference will be held in polytechnic campus in Krosno-Suchodół at 12 Dmochowski Street **from 18-19th of April 2013**.

The conference is devoted to a wide spectrum of issues concerning herbal medicine, herbalism, technology of herbal specimen production, cosmetics, cosmetology, dietetics, food technology, safety, the meaning and production of functional food, dietary supplements, nutraceuticals, cosmeceutic, natural cosmetics. The conference also touches upon the use of herbs in feeding, treatment and prophylactic of both people and animals. It allows us to debate on legislation concerning composition, production, description, classification, implementation in trade and certification of dietary supplements, natural cosmetics, functional food and herbal specimen.

The Conference has not only a strong research and didactic aspects, but also social one. During the debate we will have a chance to know each other better, to exchange the view points. Undoubtedly, it may result in initiating business cooperation in many cases. We would like to invite you to present your services and products as well. All participants are invited to join Polish Society of Herbalists and Phytotherapists.
